

Frameless
Shower
Screens

03 9336 7703

If you are looking for a design to virtually expand the space, these modern and stylish custom-made shower designs are perfect for you. Frameless hinged or Frameless sliding door shower screens are undoubtedly stylish and modern. We use 10mm toughened glass according to standards Australia.

No specific maintenance is required except for regular cleaning. It's engineered with much thought on versatility and appearance. It's professionally installed and made practical for everyday use.

When safety glass is used, it adds not only elegance but strength as well. Our hardware used is rigorously tested. We offer many glass varieties to fulfill your desire.

When you visit our grand showroom, possibilities are endless with access to professional advice.
