

Semi
Frameless
Showers

03 9336 7703

Semi-Frameless custom made system offers the best of both worlds. Only the perimeter is framed. The rest is virtually frameless. Door can be pivoted, hinged, or sliding to suite your space and style. No specific maintenance is required except for regular cleaning.

It's engineered with much thought on versatility and appearance. It's professionally installed and made practical for everyday use.

Semi-frameless design comes with easy to clean profiles. Perfect for sophisticated designs.

Bathroom design is a fashion business and our team continue to expand our range of products, meeting the ever changing needs of our customers and ensuring that our products are both fashionable and functional. Using the highest quality materials, we continue to invest in quality and style.

When you visit our grand showroom, possibilities are endless with access to professional advice. At site measure we will discuss the best solution for your requirements and ensure that the options are practical.
